

## ***An Easter Message***

*The Kingdom of God has no fixed social, ethnic, racial, nationalistic, economic, or religious boundaries.*

*There are no insiders or outsiders, no elite or nonelite.*

*The abba whom Jesus reveals is the God of the human race as a family.*

*Everyone must be concerned about everyone else.*

*Unconditional love is the name of the game.*

(Meditations on The Parables of Jesus by Thomas Keating)

### ***Alleluia***

### ***The inclusivity of Christ and the Cross and Resurrection***
